Get Ready!

Every week this summer, you will receive a text or email from ReadyRosie with activities that your family can do together.

Here is how it works:

1. Watch the 2 minute videos.
2. Try the activities with your child.
3. Reflect and share what you and your child learn. When you complete an activity, your child can color in the game space on the Summer Soar Adventure Map.

Thank you for taking the time to learn and grow with your child this summer!
